

Rose Notes from the President October 24, 2007

Green Valley Rose Society November

Roses Go Hollywood is almost here! Are you as excited as I am? This promises to be one of the best Shows ever.

But ***** before the big day, we have to spiff up the garden and make it look its best. SO, on November 1 at 8am in the garden we will get this job done. We have a new plan of action to hopefully make this easier on all. The garden will be divided into sections with each bed being at least 2 sections. Each person will be responsible one section and then that lucky person can go home when it is done. We will also do the same for the January pruning and for the deadheading next year. So if you have a favorite rose bed you can sign up to adopt it at the November meeting. We will discuss this more at the meeting . See you on Nov 1!!

November 3 is set-up day for the Big Show

NOVEMBER 4 is THE DAY .(And thank you in advance to our friends in Tucson for helping.)

November 5 is our regular meeting. We will have a review of the show and a short program.

November 10 is the Board of Directors meeting 10am

December 3 will be our annual Christmas dinner. Sign up sheets will be out at the Nov. meeting.

November in the Garden: Feed with liquid fertilizer; Spray with fungicide as needed; Remove spent blooms; water slowly to a depth of 2 feet; Allow the soil to dry out between waterings; visit the Rose Show.
