

Subject: November News

Happy Thanksgiving Everyone,

Enjoy your roses this month, maybe even a few for December if our weather holds.

Help Wanted

As I have said before, we really need a newsletter editor and a publicity person. I am now working nearly full time and am not doing a very good job of either of these. So, if you want to see a newsletter of quality, volunteer. It will be rewarding, I promise. Likewise for doing publicity. These are not difficult jobs, it is just a lot combined with the presidents duties.
